

Unrestricted Funds

Unrestricted Funds are one of the most powerful ways you can help create a community where every person can reach full potential. The fund you create offers the ultimate in flexibility, ensuring there will be resources tomorrow for needs we can't even imagine today. We use our unrestricted resources to address current community needs and invest in the work of local nonprofit organizations that are collaborating with others to make long-term, transformative change.

HOW IT WORKS

You make an unrestricted gift to the Topeka Community Foundation during your lifetime or through a bequest in your will.

You receive tax benefits in the year your gift is made.

Our board and professional staff determine the areas of greatest community need.

Benefits

Because you set no restrictions on the use of your gift, it enables our experienced staff and board to do what they do best. Using a process that ensures all funds are used to their maximum impact, we assess community needs and respond by

making community investments in the nonprofit organizations that undertake our community's most critical work.

Unrestricted Funds help support longterm solutions; respond quickly to emergencies;

and address changing social, cultural, educational, or environmental needs in our local community.

You and others can add to the fund you establish at any time, receiving tax benefits with each new gift.

We will invest the assets and maintain accurate records. You will receive quarterly fund statements, which report the market value of the fund, investment returns, and additional gifts.
